So you really want to make a difference... maybe you should consider being a teacher!

Mines has partnered with University of Northern Colorado (UNC) to offer education coursework and a path toward secondary teaching licensure in math or science for Mines students: the Teacher Education Alliance, Mines-UNC Partnership (TEAM-UP).

Interested? Attend the info session:

**When:** Wednesday, March 22\textsuperscript{nd}, 6:30-8:30 pm  
**Where:** MZ108  
**What:** learn about the program, as well as internship and scholarship opportunities. Food will be provided.

**RSVP** (or to ask questions): Kristine Callan kcallan@mines.edu

In addition to the TEAM-UP faculty, there will also be current TEAM-UP teacher candidates and experienced local teachers in attendance to help answer your questions. More information about TEAM-UP can also be found at:
