Ethics questions – Chapter 8

This set of questions is worth 8 points (4 points per question, with 3 points for the document, 1 for the verbal discussion).

Each member of the group should read chapter 8. Then as a group, answer the questions:

1. Discuss question 12. Write an analysis, in the same style as the case studies on pages 415-422. Specifically, you should relate your answer to the fundamental principles.
2. Read and discuss section 7.5. Provide an analysis that relates this case to the fundamental principles.

You should discuss and answer these questions AS A GROUP. Two requirements (same as chapter 2):

a) Write up your answers. Your document should list each question and then provide a brief answer that summarizes your discussion. This report will likely be about 1 to 1-1/2 pages, depending on formatting.

b) Bring your document (hard copy) and be prepared to do an informal “report” to your advisor as part of your weekly meeting. It should be clear from this verbal report that ALL members participated.
